MINISTRY TRAINING

CHRIST CHURCH KENSINGTON

STARTING AUGUST 2027

We are an Anglican parish church in the heart of Kensington who exist to glorify Jesus. Our mission is to make fruitful disciples for him.

MINISTRY

Ministry Trainees play an important role in our mission to local residents, to youth and children, and to students from nearby Imperial College and the Royal College of Music. You will have plenty of opportunities to develop Bible-teaching gifts while also growing in Christlike character in the context of a warm and loving church.

TRAINING

Formal training is provided through the Cornhill Training Course and you will also receive lots of training and support alongside our staff team, together with weekly mentoring from experienced gospel workers.
